THE COOLEST CLASS IN MANCHESTER!

BHS Grade 2 - Nov 2025

Calling all schools! Get ready to strike a pose in the most creative, festive photo contest of the year!

Whether it's spooky Halloween costumes, outrageously ugly Christmas jumpers, or holiday hats that sleigh the season, we want to see your class at its most fun and festive!

The most creative photos will be featured on our social media, with winners announced on December 19. The coolest class will take home £100 for their school and a free skating session for next year!

Gather your classmates, bring the energy, and show Manchester why your class deserves the crown – and the chance to be the **Coolest Class on Ice!**
